Ergonomy	• The ergonomically designed safety rails have a practical lower central section, which provides better access and work environment for the carer while transferring, changing and dressing the user. • One hand operated safety rails allows the carer to maintain eye contact as well as physical contact with the user during the whole process, the foldable safety rails also provide easy access from all four sides of the table. • The cut-out grips in the safety rails enable users to assist when being turned, which motivates physical training. • Easy to clean, smooth contact surfaces which do not collect dirt and bacteria.
Features	• The trolley can be moved from room to room for easy transport and multiple users. • Intuitive, easy-to-use drop down rails with one hand operation.
Warranty	A 3-year warranty is provided for your product from the date of purchase. The warranty covers material or manufacturing defects. The warranty does not cover defects or damage resulting from normal wear and tear, improper operation, misuse, inadequate maintenance, use of unsuitable cleaning agents, incorrect installation, or disassembly. In the event of a claim, you must always contact the dealer or store where you purchased the product. The warranty is conditional upon proof of purchase of the product. Pressalit will supply a spare part or replace the product with the same or a similar model. The warranty period is neither extended nor renewed when replacement products or spare parts are supplied. If replacement is not possible, Pressalit is entitled instead to refund the purchase price. NOTICE If the product is placed in an atmosphere heavy in salt or chlorine, the warranty will be reduced from the normal 3 years to 1 year. Salt and chlorine have a corrosive effect on the products components and will cause a decrease in the life expectancy of the product. These warranty terms apply in addition to the consumer's statutory rights and do not limit or exclude them.
