PRESSALIT®

Product	Shower faucet with thermostat and black operating levers easy to handle
Item number	RT640
	VVS:719015604 NRF:6311291 RSK:8344043 EAN:5708590211824 HMI: 35288 NBS:N13:40,375
	Product description	Shower faucet with thermostat and black operating levers easy to handle. Shower faucet with thermostat and black operating levers easy to handle.
Materials	Core material: brass Protective cover: plastic Handles: plastic
Ergonomy	Design and contrasting color of the operating handles make the "wing-shaped" handles easy to see and to use.
Features	The Shower faucet is heat insulated. Can be mounted on the Shower faucet bracket RT760.
Warranty	A 5-year warranty is provided for your product from the date of purchase. The warranty covers material or manufacturing defects. The warranty does not cover defects or damage resulting from normal wear and tear, improper operation, misuse, inadequate maintenance, use of unsuitable cleaning agents, incorrect installation, or disassembly. In the event of a claim, you must always contact the dealer or store where you purchased the product. The warranty is conditional upon proof of purchase of the product. Pressalit will supply a spare part or replace the product with the same or a similar model. The warranty period is neither extended nor renewed when replacement products or spare parts are supplied. If replacement is not possible, Pressalit is entitled instead to refund the purchase price. These warranty terms apply in addition to the consumer's statutory rights and do not limit or exclude them.
Cleaning	This product should be cleaned with hot water or a mild cleaning solution. Do not use chlorine based or corrosive cleaners as it may result in the surface being damaged.
