|---|---|
| **Product** | MCT 5 change trolley, manually height adjustable |
| **Item number** | R9502719000 |
| **Ergonomy** | • The ergonomically designed safety rails have a practical lower central section, which provides better access and work environment for the carer while transferring, changing and dressing the user.<br><br>• One hand operated safety rails allows the carer to maintain eye contact as well as physical contact with the user during the whole process, the foldable safety rails also provide easy access from all four sides of the table.<br><br>• The cut-out grips in the safety rails enable users to assist when being turned, which motivates physical training.<br><br>• Easy to clean, smooth contact surfaces which do not collect dirt and bacteria. |
| **Features** | • The trolley can be moved from room to room for easy transport and multiple users.<br><br>• Intuitive, easy-to-use drop down rails with one hand operation. |
| **Warranty** | Pressalit makes a commitment to remedy material and manufacturing defects for a period of three years from the invoicing date. NOTICE If the product is placed in an atmosphere heavy in salt or chloride, the warranty will be reduced from the normal 3 years to 1 year. Salt and chloride have a corrosive effect on the products components and will cause a decrease in the life expectancy of the product. |

| **Product** | MCT 5 change trolley, manually height adjustable |
| **Item number** | R9502719000 |
| **Cleaning** | The product is to be cleaned with a damp cloth that has been wrung out in a mild soap mixture, such as universal cleaning solution. After cleaning, it is essential to wipe the product with a dry, soft cloth. This step is crucial to prevent the materials from discoloration. Additionally, it helps prevent any potential degradation of the surface paint,<br><br>The following cleaning agents have been tested by Pressalit and may be used, as long as they are diluted according to the instructions on the container.<br><br>DISINFECTANTS:<br>Clinimax Difficil-S<br>Erisan OXY+<br>Sprit (husholdningssprit)<br>Suma Bac D10<br>Virkon<br>Rodalon Desinfektionsspray<br>Lysoformin Spezial<br>CaviCide<br>Sufanios Premium<br>Tvättsprit 70%<br>Accel PREVention Wipes Lingettes<br>OxiGenesis from ENVIROX<br><br>NON-DISINFECTANTS:<br>Suma Star free D1<br>Taski 100<br>Taski 200<br>Milizid Citro<br><br>The product must be wiped down with a soft rag wrung out in clear water immediately after cleaning, as some materials may otherwise be discolored and stained, and the surface coating may deteriorate. |
