

PRESSALIT®

Product Item number	PLUS backrest, height and sideways adjustable R6444000
Colour	VVS:777530600 NRF:6317049 EAN:5708590365503 HMI: 124205 FDA:INN/D135865 White
Product description	<div data-bbox="1034 533 1369 801" data-label="Image"> </div> <p>PLUS backrests are offered in a number of colours and versions, they are available as both fixed height and adjustable. They are suitable for wall-mounting behind a toilet without cistern or for mounting on one of Pressalit's toilet lifters.</p> <p>PLUS backrest, 385 x 209 mm, soft feel. Height adjustable 150 mm and sideways adjustable, for mounting on a horizontal walltrack behind a wall-mounted toilet without cistern. Can be removed easily when not needed and reattached again without the use of tools. Materials: Aluminium and polyurethane foam with a plywood core. For fitting to horizontal PLUS wall track (not included).</p>
Adjustability Adjustment height Product capacity	Height and sideways adjustable 150 mm Maximum load: 50 kg. Maximum user weight: 100 kg. When the backrest is loaded with 50 kg, each wall fastener will be carrying 33 kg. <i>Backrests need to be able to support the weight of the person who is leaning against it.</i> <i>The backrest is not intended to carry the full body weight of a person, and the test methods applicable to backrests reflect this: ISO 17966 prescribes a static test at 50% of maximum user weight, i.e. when the maximum load on a wash basin bracket is given as 50 kg, it is – according to ISO 17966 – the equivalent of a user weighing 100 kg leaning on the backrest.</i>
Materials Ergonomy	The backrest is made of polyurethane (PU) foam which is covered with an in-mould coated surface that is protected using a clear PU lacquer. Soft and slip-resistant material that has a warm feel.

PRESSALIT®

Product	PLUS backrest, height and sideways adjustable
Item number	R6444000
Features	For toilet without cistern
Warranty	Pressalit makes a commitment to remedy material and manufacturing defects for a period of five years from the invoicing date.
Cleaning	<p>PLUS backrest</p> <p>The product is to be cleaned with hot water or a mild soapy cleaning agent. Do not use chlorine based, corrosive or abrasive cleaners as it may result in the surface being damaged.</p> <p>The following cleaning agents have been tested by Pressalit and may be used, as long as they are diluted according to the instructions on the container.</p> <p>DISINFECTANTS:</p> <p>Erisan OXY+</p> <p>Tvättspnit 70%</p> <p>CaviCide surface disinfectant decontaminant cleaner</p> <p>Rodalon Desinfektionsspray</p> <p>Terralin protect (SCHÜLKE+)</p> <p>Disonzon Plus (BODE Chemie GmbH)</p> <p>NON-DISINFECTANTS:</p> <p>Wetrok Caledor (Wetrok)</p> <p>Petrosol Citro (Büfa)</p> <p>Important: Polyurethane surfaces of PLUS shower seats and PLUS backrests contains an antibacterial surface, which will be compromised if cleaned with anything other than soap and water.</p> <p>The product must be wiped down with a soft rag wrung out in clear water immediately after cleaning, as some materials may otherwise be discolored and stained, and the surface coating may deteriorate.</p> <p>DECALCIFICATION OF ALUMINUM PARTS:</p> <p>Pressalit recommends that chalky deposits be removed from wall tracks and other aluminum parts using a solution of three parts 30% acetic acid to seven parts tap water. When the aluminum parts have been washed down with this solution, the parts must be wiped over with a damp cloth wrung out in clear water.</p> <p>Expected service life: 10 years.</p> <p>Contraindications for use: It is not recommended that people who need to lie down while being changed use the backrest for support.</p>
