Connection for fixed installation or installation via circuit breaker. Permanent installation must be carried out by an authorized electrician Power 840-1000 W. 230 V / 50/60 Hz
Materials	European stainless steel (AISI 304)
Warranty	A 2-year warranty is provided for your product from the invoice date. The warranty covers material or manufacturing defects. The warranty does not cover defects or damage resulting from normal wear and tear or the use of unsuitable cleaning agents. In the event of a claim, you must always contact the dealer or store where you purchased the product. The warranty is conditional upon proof of purchase of the product. Pressalit will supply a spare part, replace the product with the same or a similar model, or refund the purchase price. These warranty terms apply in addition to the consumer's statutory rights and do not limit or exclude them.
Cleaning	This product should be cleaned with hot water or a mild cleaning solution. Do not use chlorine based or corrosive cleaners as it may result in the surface being damaged.
WEEE	Please enquire of your local Pressalit subsidiary or distributor (in countries where there is no subsidiary) that will arrange for recycling of electronic waste in accordance with the WEEE directive. Subject to changes in the product range, technical changes and printing errors.
