Requires other grab bar elements for installation. <i>Please enquire for special grab bar solutions.</i> Please note that RT360 PLUS grab bar wall mounting with strap must always be installed at all joints of tubes or every 47". Materials: Powder-coated aluminium.</p>
Product capacity	Maximum load: With a span up to 39.4" : 460 lbs. With a span up to 51.2" : 330 lbs.
Materials	Core material: Aluminium Surface material: Polyester lacquer
Ergonomy	The 1.3" diameter enables the rail to be held comfortably and firmly. The projection of 2" from the wall makes it easy to take hold of the rail.
Warranty	Pressalit makes a commitment to remedy material and manufacturing defects for a period of five years from the invoicing date.
Cleaning	This product should be cleaned with hot water or a mild cleaning solution. Do not use chlorine based or corrosive cleaners as it may result in the surface being damaged.
