

PRESSALIT®

Product Item number	INDIVO bracket RK1100
Product description	EAN:5708590292748 HMI: 54804 Bracket for countertop Including 2 wall fittings and 2 carrying brackets Height adjustable 9.8"
Adjustability Product capacity	Height adjustable Maximum load (evenly distributed): 165 lbs including countertop.
Materials Ergonomy Features Warranty	Steel Brackets are the simple, budget solution for kitchens where it is only occasionally necessary to adjust the height of the countertop or adapt the kitchen layout to a given user. The lift height is adjusted using a spanner. Height adjustment can be performed by one person alone. Available for countertops of any length, the distance between two brackets must however not exceed 31.5". Adjustable in height over a range of 9.8". Pressalit makes a commitment to remedy material and manufacturing defects for a period of three years from the invoicing date.
