

Product Item number	PLUS wall track, 118.1" R9830112	
Color Product description	VVS:615841130 NRF:7501065 EAN:5708590305899 HMI: 71748 Anthracite gray	
Adjustability	Fixed mounting	
Ergonomy Features	<p>The track distributes the weight of the individual bathroom product, for example a sink bracket, along its entire length. The products can be adjusted and locked on to the track with intuitive locking functions.</p> <p>The horizontal track makes it possible to shift the product along the wall to generate extra space as needed. The front cover plate conceals mounting bolts and any cables.</p>	
Warranty	Pressalit makes a commitment to remedy material and manufacturing defects for a period of five years from the invoicing date.	

Product	PLUS wall track, 118.1"
Item number	R9830112
Cleaning	<p>This product should be cleaned with hot water or a mild cleaning solution. Do not use chlorine based, corrosive or abrasive cleaners as it may result in the surface being damaged.</p> <p>The following cleaning agents have been tested by Pressalit and may be used, as long as they are diluted according to the instructions on the container.</p> <p>DISINFECTANTS: CaviCide</p> <p>The product must be wiped down with a soft rag wrung out in clear water immediately after cleaning, as some materials may otherwise be discolored and stained, and the surface coating may deteriorate.</p> <p>DECALCIFICATION OF ALUMINUM PARTS: Pressalit recommends that water deposits (Calcium, lime etc.) be removed from wall tracks and other aluminum parts using a solution of three parts of 30% acetic acid to seven parts tap water. When the aluminum parts have been washed down with this solution, the parts should be wiped over with a damp cloth wrung out in plain water.</p>
Declaration of conformity	<p>This product fulfils all relevant requirements in European Regulation (EU) 2017/745 on medical devices in risk class I. This product is considered to be an accessory for a medical device, as it is not itself a medical device, but is intended to be used together with several particular medical devices to specifically enable the medical devices to be used in accordance with their intended purposes.</p>
