Hot and cold symbols. With water-saving Eco-effect. Without drain fitting. We recommend T4679 plumbing kit with 0.4" compatible adaptor. Material: Chromium-plated brass
Materials	Chromium-plated brass
Ergonomy	The loop-shaped operating lever is specifically suitable for users who find it difficult to use common levers. The long, rotatable spout makes it easier for a seated user to reach the water, as well as the spout can be swung to one side.
Features	Long rotatable spout. The water-saving Eco-effect gives the choice between a moderate flow and a full flow. The preset moderate flow can be adjusted.
Warranty	Pressalit makes a commitment to remedy material and manufacturing defects for a period of five years from the invoicing date.
Cleaning	This product should be cleaned with hot water or a mild cleaning solution. Do not use chlorine based or corrosive cleaners as it may result in the surface being damaged.
