

PRESSALIT®

Product Item number	INDIVO bracket RK1100
Product description	EAN: 5708590292748 HMI: 54804  Bracket for worktop Including 2 wall fittings and 2 carrying brackets Height adjustable 250mm
Adjustability Product capacity	Height adjustable Maximum load (evenly distributed): 75 kg including worktop.
Materials Ergonomy Features Warranty	Steel Brackets are the simple, budget solution for kitchens where it is only occasionally necessary to adjust the height of the worktop or adapt the kitchen layout to a given user. The lift height is adjusted using a spanner. Height adjustment can be performed by one person alone. Available for worktops of any length, the distance between two brackets must however not exceed 800 mm. Adjustable in height over a range of 250 mm. Pressalit makes a commitment to remedy material and manufacturing defects for a period of three years from the invoicing date.
