

PRESSALIT®

Product Item number	Control panel with display for INDIVO Packs RK1049
Product description	<p>EAN:5708590396798</p>  <p>The control panel features intuitively placed soft buttons (it does not have a touch screen), optional favourite table positions, and the ability to toggle between four references.</p> <p>Control panel with display for customized travel</p>
Features	<p>Option of fixed height settings.</p> <p>The control allows you to limit the travel range. So instead of lifting units going from 0"- 11.8". mm, for example it could be from 0"-10.8" mm. A limitation that is stored in the control.</p> <p>This limitation can help the user to easier align the table with a neighboring surface.</p>
