Product description	MATRIX is a series of sinks, most of them are designed by Pressalit. MATRIX SMALL and CURVE sinks fit onto PLUS, SELECT and VALUE sink brackets, whereas MATRIX MEDIUM and ANGLE are tailor made to fit specific brackets. MATRIX ANGLE vanity sink, 39.4" x 22.4" x 4.7", right-facing, with two integrated grab handles in the front, with tap hole diameter 1.4" and overflow, incl. drain fitting. The sink has raised edges, preventing water from running over the back or down the outer sides. Materials: Cultured marble with a high-polished, nonporous sanitary gel coating. Suitable for R2010 fixed or R2015 height adjustable sink supports.
Product capacity	440 lbs.
Materials	Cultured marble with a high-polished, nonporous sanitary gel coating.
Warranty	A 5-year warranty is provided for your product from the date of purchase. The warranty covers material or manufacturing defects. The warranty does not cover defects or damage resulting from normal wear and tear, improper operation, misuse, inadequate maintenance, use of unsuitable cleaning agents, incorrect installation, or disassembly. In the event of a claim, you must always contact the dealer or store where you purchased the product. The warranty is conditional upon proof of purchase of the product. Pressalit will supply a spare part or replace the product with the same or a similar model. The warranty period is neither extended nor renewed when replacement products or spare parts are supplied. If replacement is not possible, Pressalit is entitled instead to refund the purchase price. These warranty terms apply in addition to the consumer's statutory rights and do not limit or exclude them.

Product	MATRIX ANGLE sink with overflow, right-facing

Cleaning	For cleaning the wash basin, use hot water and a mild soapy cleaning agent. Make sure that the product is wiped down with a soft rag wrung out in clear water immediately after cleaning. For disinfecting the wash basin, the following agents can be used: Sodium hydroxide 5% Acetic acid solution 10% Ethanol solution 70% Sodium hypochlorite 5%, active chlorine Sodium chloride 170g/l, diluted to 50%. Make sure that the product is wiped down with a soft rag wrung out in clear water immediately after disinfection. **NB! Do not use abrasive cleaning agents, as this will cause damage to the surface of the wash basin.**
