Product	Touchless wash basin mixer tap
Item number	RT631
	VVS:704388104 NRF:6132551 EAN:5708590297354 HMI: 123754 NBS:N13:30,335
Product description	Touchless wash basin mixer tap with scalding protection. WRAS-approved.
Features	Temperature adjustment. Battery-operated 6 V. Flow controller (5 l/min.) Infrared sensor technology Protection against scalding
Warranty	A 5-year warranty is provided for your product from the date of purchase. The warranty covers material or manufacturing defects. The warranty does not cover defects or damage resulting from normal wear and tear, improper operation, misuse, inadequate maintenance, use of unsuitable cleaning agents, incorrect installation, or disassembly. In the event of a claim, you must always contact the dealer or store where you purchased the product. The warranty is conditional upon proof of purchase of the product. Pressalit will supply a spare part or replace the product with the same or a similar model. The warranty period is neither extended nor renewed when replacement products or spare parts are supplied. If replacement is not possible, Pressalit is entitled instead to refund the purchase price. These warranty terms apply in addition to the consumer's statutory rights and do not limit or exclude them.
Cleaning	The product is to be cleaned with hot water or a mild soapy cleaning agent. Do not use chlorine based or corrosive cleaners as it may result in the surface being damaged.
WEEE	Please enquire of your local Pressalit subsidiary or distributor (in countries where there is no subsidiary) that will arrange for recycling of electronic waste in accordance with the WEEE directive.
