Discontinued as per 31 Dec 2015 Support arm without counter balance, 600 mm, fixed height, folds against the wall. Incl. mounting kit for brick wall. Discontinued as per 31 Dec 2015
Adjustability Product capacity	Fixed mounting Max. vertical load: 135 kg.
Materials Ergonomy Features	Basic material: 20 micrometre anodized aluminium Surface material: Two-component plastic (PVC) End cap/cover cap: Arnite The oval shape gives an easy and comfortable surface to lean and push against. The end of the support arm is enlarged so that it is easier to pull forward from a sitting position and also provides a clear sense of where the support arm ends. Soft and slip-resistant material that has a warm feel. Folds against the wall. The underside is shaped for the mounting of various accessories.

PRESSALIT®

Product	CareSystem support arm, fixed height
Item number	R3016000
Cleaning	Pressalit recommends that chalky deposits be removed from wall tracks and other aluminum parts using a solution of three parts of 30% acetic acid to seven parts tap water. When the aluminum parts have been washed down with this solution, the parts should be wiped over with a damp cloth wrung out in clear water.
