Product	Changing table mattress 900 mm
Item number	RB1901000
Cleaning	RB1901-RB1905 Changing table mattress, upholstery (cover) – white. 1460 PU quality (polyurethane), phthalate-free. Pressalit recommends daily cleaning with soapy water and subsequent wiping over with a damp cloth, and weekly wash at 60º, without fabric softener. Do not turn inside out before washing. Can be tumble-dried. Can be disinfected with antiseptic wipes. Do not use disinfectants intended for hard surfaces. Nursing table mattresses, upholstery (cover) – red or blue. NX200; a vinyl quality that is Öko-Tex 100 approved, which means that it doesn't contain phthalates or heavy metals. Pressalit recommends daily cleaning with soapy water and subsequent wiping over with a damp cloth, and weekly wash at 40º, without fabric softener. Do not turn inside out before washing. Do not tumble-dry. Can NOT be disinfected. Padding (foam). The foam contains only DINP softeners which are approved by the EU for the use in articles for children. Do not wash the foam. Do not use the mattress without the cover for reasons of hygiene.
