controlled movement between horizontal and vertical positions.  PLUS support arm, counter-balanced, 850 mm. Height adjustable 150 mm. Foldable. Right handed. Only for use with TL3/TL4 toilet lifter equipped with toilet pan projecting 540/550 mm. Ergonomically shaped to provide a clear sense of where the support arm ends. Materials: The arms are constructed of 10-micrometre anodized aluminium, with a non-slip gripping surface made of soft SEBS incorporating a glass-reinforced nylon core. Excl. mounting kit.  Adjustability  Height adjustable  150 mm  Product capacity  Maximum load: 150 kg	Post of	PLUS support arm with integrated counter-balance, 850 mm, right hand
Product description  All PLUS support arms come with an integrated counter-balance, which ensures a controlled movement between horizontal and vertical positions.  PLUS support arm, counter-balanced, 850 mm. Height adjustable 150 mm. Foldable, Right handed. Only for use with TL3/TL4 toilet lifter equipped with toilet pan projecting 540/550 mm Ergonomically shaped to provide a clear sense of where the support arm ends. Materials: The arms are constructed of 10-micrometre anodized aluminium, with a non-slip gripping surface made of soft SEBS incorporating a glass-reinforced nylon core.  Excl. mounting kit.  Adjustability  Height adjustable  Adjustament height  The arms are primarily constructed in 10-micrometre anodized aluminium, with a not slip gripping surface at the end made of soft SEBS and incorporating a glass-reinforced nylon core.  The hinge arm is also made of soft SEBS.  Internal components and fasteners are primarily made of stainless steel. The hinge barrel is capped with ABS polymer.  The oval shape gives an easy and comfortable surface to lean and push against.  The end of the support arm is enlarged so that it is easier to pull forward from a sitting position and also provides a clear sense of where the support arm ends.		·

## PRESSALIT®

Product	PLUS support arm with integrated counter-balance, 850 mm, right hand operated
Item number	R372485108
Features	The underside is shaped for the mounting of various accessories.
Warranty	Pressalit makes a commitment to remedy material and manufacturing defects for a period of five years from the invoicing date.
Cleaning	PLUS support arms. The product is to be cleaned with hot water or a mild soapy cleaning agent. Do not use chlorine based, corrosive or abrasive cleaners as it may result in the surface being damaged.  The following cleaning agents have been tested by Pressalit and may be used, as long as they are diluted according to the instructions on the container.  DISINFECTANTS: Clinimax Difficil-S Erisan OXY+ Sprit (husholdningssprit) Suma Bac D10 Virkon Rodalon Desinfektionsspray Lysoformin Spezial CaviCide Sufanios Premium Tvättsprit 70% Oxyplus-acid 2% (Diversey) WipeClean UniversalCleaning Chrolorine Disinfection Wipes  NON-DISINFECTANTS: Suma Star free D1 Taski 100 Taski 200 Milizid Citro

The product must be wiped down with a soft rag wrung out in clear water immediately after cleaning, as some materials may otherwise be discolored and stained, and the surface coating may deteriorate.

## **DECALCIFICATION OF ALUMINUM PARTS:**

Pressalit recommends that chalky deposits be removed from wall tracks and other aluminum parts using a solution of three parts 30% acetic acid to seven parts tap water. When the aluminum parts have been washed down with this solution, the parts must be wiped over with a damp cloth wrung out in clear water.

## PRESSALIT.

Product	PLUS support arm with integrated counter-balance, 850 mm, right hand operated
Item number	R372485108
Declaration of conformity	CE MDR This product is in compliance with all relevant requirements of: - Regulation (EU) 2017/745 on medical devices.
	Intended use The support arm is used as a support for sitting down or getting up from a toilet, or for sideways transfer from a wheelchair.  Operating environment For indoor use in a wet environment, such as a bathroom or a washroom, in private homes, nursing homes and hospitals. For institutional use, the expected life time is 10 years.  Life cycle test performed according to ISO 17966:2016.  For maintenance, please refer to user guide, which is enclosed with the product, and which can also be found on the website under "Downloads".
